- Request authorization for services rendered, when required, in a timely manner.
- Provide you with clearly defined payment options in order to insure continued access to quality treatment.

### We appreciate your commitment to:

- Being an active participant in your physical therapy treatment by arriving on time for appointments, informing your clinician of any concerns or questions you may have, complying with home exercise instructions or other recommendations.
- Call VTPT to give us at least 24 hours notice for appointment changes or cancellations. Appointments missed or canceled without 24 hours notice (*regardless of reason*) are subject to a \$35.00 late fee. Fee must be paid at our office before you are able to receive further services. This fee does not apply to workers compensation patients, however the adjuster will be informed of any missed appointments, which may result in the denial of additional visits.

- Knowing the provisions and limitations of your insurance coverage; and understanding that your policy is a contract between you and your insurance carrier. We recommend you to call your insurance company to become familiar with your plan.
- Understanding your treatment plan is based on medical necessity (as determined by your referring physician or treating physical therapist) and is not based on the limitations of your insurance policy
- Request alternate treatment or payment arrangements if necessary.
- Understanding that balances over 90 days past due will be referred to our collections agency.
